Severity	Major
Assigned to	/
Priority	High

Description

When I put in any integer value in the Qty field, the item always remains in stock.

Steps to reproduce

> from the home page add first item to the cart from the popular section
> click on "proceed to checkout" tab
> copy and paste 1000000000000 in the "Qty" field and the Avail field still remains in stock
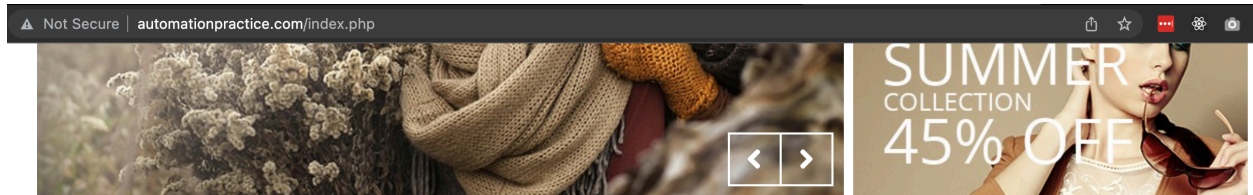

Expected result

The Avail field should change to out to stock after a certain quantity limit. A warning should be given before exceeding the quantity.
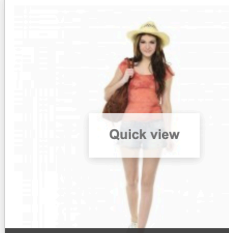

Actual result

Avail should change to "out of stock" when ordered quantity becomes equal to in stock quantity.
