Bug Report #1

ID number	#1
Name	SORT - Unable to sort the items
Reporter	Piyush Kochhar
Submit Date	12/21/2021
Summary	When I go to dresses categories, I am unable to sort the items.
URL	http://automationpractice.com/index.php?id_category=8&controller=category
Platform	Macintosh
Operating System	OS Monterey
Browser	Chrome 96
Severity	Major
Assigned to	/
Priority	High

Description
When I click on the dresses category, I am unable to sort the items by any category. Clicking on sorting drop down menu leads to infinite page load and the items are grayed out.

Steps to reproduce
> click on dressed tab
> select any sorting criteria by selecting a value from the "Sort by" drop down menu

Expected result
The items should be sorted according to sorting criteria.

Actual result
Infinite page load
